Re: Docket DOT-OST-2000-8025

Dear Mr. Martin:

I am writing to express JetBlue's enthusiastic support for the proposal of Hyannis Air Service, Inc. *dba* Cape Air to providing Essential Air Service for the Adirondack Regional Airport in Saranac Lake (SLK).

If Cape Air is reselected to serve SLK, JetBlue is delighted to continue our existing codeshare and interline service with Cape Air, providing the Saranac Lake community seamless booking and travel with JetBlue's hub at Boston's Logan International Airport (BOS), with added service through JetBlue's hub at New York (JFK).

Despite the recent pandemic-related reductions this year, JetBlue is a leading carrier in Boston, New York (JFK), Fort Lauderdale, Orlando, and San Juan. JetBlue carried more than 42 million customers in 2019 to nearly 100 cities in the U.S., Caribbean, and Latin America with an average of more than 1,000 daily flights. We would be delighted to keep Saranac Lake as a part of the JetBlue network.

Thank you for your kind consideration.

Sincerely,
